

Career Day

Wednesday, January 22, 2025
12:00 to 2:00 PM

***Is your business aiming to diversify its workforce?
Think about hiring individuals with disabilities!***

Volunteer as an employer partner at The League's Reverse Hiring Fair, where you can connect with job seekers supported by The League's Employment Services Program. Participants will display their visual resumes and discuss available opportunities in the local job market with you.

Lunch will be provided and enjoy networking with fellow local employers, in addition to volunteering your time!

If you are interested in participating, please contact Kaitlynn Wieler, Manager, Community Engagement, at kwiel@leagueforpeople.org
